Organic Farms 7.5-5-7.5	

The above listed product(s) were found compliant for use in organic certified operations as a fertilizer and soil amendment, based solely on review of information about the formulation and manufacturing of the Product(s) provided by the manufacturer, and/or random testing of samples of the Product(s) by a third-party laboratory, as set forth below. \*

This verification certificate does not authorize the Products to be labeled as "Certified Organic" or to use the "USDA Seal". Producers and handlers of organic food products must contact their certifier for approval of any materials before use in an organic system plan in compliance with NOP 205.201.

**The above listed Products have undergone the following materials verification process:**

- On-site inspection of manufacturing facility, records audit and production capacity verification.  
12977 W. Hwy 140, Livingston, CA, 11245 W. Swanson Road, Burrel, CA and 3766E Conejo Avenue, Selma, CA,
